CHAPTER 11 CASE

CASE NO. 19-41699-elm-11

GLOBAL NOTES REGARDING DEBTOR'S SCHEDULES

These Global Notes (the “Global Notes”) regarding the Schedules of Duncan Burch, Inc. (the “Debtor” or “DBI”) comprise an integral part of the Schedules of Assets and Liabilities and should be referred to and considered in connection with any review of them.

The Debtor's Schedules of assets, liabilities, executory contracts and unexpired leases, and co-debtors (collectively, the “Schedules”) have been prepared pursuant to section 521 of title 11 of the United States Code, U.S.C. §§ 101, et seq. (the “Bankruptcy Code”), and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”) by personnel of the Debtor with the assistance of its advisors. The Global Notes pertain to all of the Schedules. The Schedules are unaudited.

The financial affairs and business of the Debtor are complex. While the Debtor's management has made reasonable efforts to ensure that the Schedules are accurate and complete based on information that was available to them at the time of preparation, the subsequent receipt or discovery of information and/or further review and analysis of the Debtor's books and records may result in material changes to financial data and other information contained in the Schedules. Moreover, because the Schedules contain unaudited information, which is subject to further review and potential adjustment, there can be no assurance that the Schedules are complete and accurate. Furthermore, nothing contained in the Schedules shall constitute a waiver of the Debtor's rights or an admission with respect to this chapter 11 case, including, without limitation, any issues involving equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant applicable laws to recover assets or avoid transfers.

Agreements Subject to Confidentiality. There may be instances within the Schedules where names, addresses or amounts have been left blank. Due to the nature of an agreement between the Debtor and the third party, concerns of confidentiality or concerns for the privacy of an individual, the Debtor may have deemed it appropriate and necessary to avoid listing such names, addresses and amounts.

Amendment. While reasonable efforts were made to file complete and accurate Schedules, inadvertent errors or omissions may exist. The Debtor reserves all rights to amend and/or supplement its Schedules as is necessary and appropriate.

Basis of Presentation. While the Schedules, at times, incorporate information prepared in accordance with generally accepted accounting principles (“GAAP”), the Schedules do not purport to represent financial information prepared in accordance with GAAP.

Causes of Action. The Debtor, despite its best efforts, may not have identified or set forth all of its causes of action (filed or potential) as assets in its Schedules. The Debtor reserves all of its rights with respect to any causes of action it may have and neither these Global Notes nor the Schedules shall be deemed a waiver of any such causes of action.

Claims Description. Any failure to designate an amount on the Debtor's Schedules as “disputed,” “contingent” or “unliquidated” does not constitute an admission by the Debtor that such amount is not “disputed,” “contingent” or “unliquidated.” The Debtor reserves the right to dispute

any claim reflected on its Schedules on any grounds including, without limitation, amount, liability, validity, priority or classification, or to otherwise subsequently designate such claims as “disputed,” “contingent” or “unliquidated.” The Debtor reserves its rights to object to any scheduled claims.

Current Value of Assets. It would be prohibitively expensive, unduly burdensome and an inefficient use of resources for the Debtor to obtain current valuations of all of its assets. Accordingly, unless otherwise indicated, net book values, rather than current market valuations, of the Debtor’s interests in assets are reflected on the Schedules. For this reason, amounts ultimately realized may vary from net book value and such variance may be material. As applicable, assets that have been fully depreciated or were expensed for accounting purposes have no net book value.

Date. Unless otherwise indicated, the values reflected on the Schedules are as of April 29, 2019 (the “Petition Date”).

Estimates. The preparation of the Schedules required the Debtor to make certain estimates and assumptions that affect the reported amounts of its assets and liabilities. Actual results could differ from those estimates.

Insiders. Persons listed as “insiders” have been included for informational purposes only and should not be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right or defense and all such rights, claims and defenses are hereby expressly reserved. Further, the Debtor does not take any position with respect to (a) such person’s influence over the control of the Debtor, (b) the management responsibilities or functions of such individual, (c) the decision-making or corporate authority of such individual or (d) whether such individual could successfully argue that he or she is not an “insider” under applicable law.

Inventory. Inventory, where applicable, is presented without consideration for any potential liens asserted by domestic common carriers, shippers, truckers, or similar liens.

Liabilities Generally. Some of the Debtor’s scheduled liabilities are unknown and/or unliquidated at this time. In such cases, the amounts may be listed as “Unknown” or “Undetermined.” As a result, the Debtor’s Schedules do not accurately reflect the aggregate amount of the Debtor’s liabilities, which may differ materially from those stated in the Schedules.

Prepetition and Postpetition Liabilities. The Debtor has sought to allocate liabilities between prepetition and postpetition periods based on information from research that was conducted in connection with the preparation of the Schedules. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change.

Schedules A/B. Cash on hand includes \$21,000 in Petty Cash and \$74,519 in deposits-in-transit. Of the total deposits-in-transit, an estimated \$61,276.97 was held in trust for the benefit of 3221 Investments, Inc. (“3221”) pursuant to a Concession Agreement between the parties, as further described in the *Debtor’s Motion for Entry of an Order Authorizing the Debtor to Continue to*

Operate Under its Concession Agreement With 3221 Investments Inc. in the Ordinary Course of Business [Docket No. 6]. Consequently, \$61,276.97 of the deposits-in-transit is not considered property of the Debtor's estate. However, the total deposits-in-transit are included in the Debtor's Schedules for the purpose of full disclosure. Likewise, the amounts provided for the Debtor's various checking accounts include approximately \$58,339.09 in funds that were held in trust for the benefit of 3221 and are not considered to be property of the estate. However, for purposes of full disclosure, the entire amount of funds held in checking accounts as of the Petition Date is provided.

The amount provided in the Schedules for accounts receivable that are 90 days old or less includes \$5,264.25 in credit card receipts-in-transit and \$44,532 due from 3221 pursuant to the Concession Agreement. Of the total credit card receipts-in-transit, an estimated \$4,328.79 is attributable to receipts belonging to 3221 and is therefore held in trust for 3221 pursuant to the Concession Agreement and is not considered estate property. The total amount of credit card receipts-in-transit is included in the Schedules for the purpose of full disclosure. The \$44,532 "receivable" due from 3221 is likewise included for disclosure purposes. The 3221 receivable does not take into account the intercompany claim held by 3221 against the Debtor in the amount of \$833,172.44. On a net basis, 3221 is an account creditor of the Debtor with a claim in the amount of \$788,630.44.

The items included under "Office Furniture" consist of personal property held in a 2-bedroom apartment in Houston, Texas, which is used by DBI management traveling to and from the Club for business purposes. All of the personal property located at the Club is leased to the Debtor under the terms of the Lease Agreement with Duncan Burch. Consequently, all of such personal property is either omitted or is included as leased property in the Schedules.

Schedule D – Creditors Holding Secured Claims. The Debtor has not included on Schedule D entities that may believe their claims are secured through setoff rights, deposits posted by or on behalf of the Debtor, or inchoate statutory lien rights. Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy Court, the Debtor reserves its right to dispute or challenge, among other things, the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D. Moreover, although the Debtor may have scheduled claims of various creditors as secured claims, the Debtor reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim. For instance, the inclusion of a counterparty to a lease in Schedule D is not an admission that such lease constitutes a capital lease, and the Debtor reserves all rights to contend that the referenced agreement is, instead, an operating lease. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in the Global Notes or the Schedules shall be deemed a modification or interpretation of the terms of such agreements. The Debtor reserves the right to dispute the tax assessed value for any of the taxable assets.

The State of Texas asserts that it holds a claim based on SOB (Sexually Oriented Business) Fees for the period from 2008 through 2014 in the approximate amount of \$3.9 million. The Debtor disputes this claim and contends that it did not operate as an SOB during the applicable period. The State further asserts that its claim is secured pursuant to a filed tax lien. The Debtor disputes both the basis for the alleged claim and the validity and effectiveness of the alleged lien. However, in connection with *Debtor's Motion for Entry of Interim and Final Orders Authorizing the Use of Cash Collateral and Granting Adequate Protection* [Docket No. 7], the Debtor determined the approximate value of the State's security interest in current assets as of the Petition Date, assuming the State's claim and lien are valid (which the Debtor disputes). This amount is \$43,001.78 and is reflected in Schedule D as the State's disputed secured claim. The balance of the disputed claim (\$3.9 million less \$43,001.78) is included as a general unsecured claim in Schedule F.

Schedule E/F – Creditors Holding Priority Claims. The Debtor reserves its rights to dispute or challenge whether creditors listed on Schedule E/F, Part 1, are entitled to priority claims.

Schedule E/F – Creditors Holding Unsecured Nonpriority Claims. Schedule E/F does not include certain deferred charges, deferred liabilities or general reserves. Such amounts may, however, be reflected on the Debtor's books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. While best efforts have been made, determination of each date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtor does not list a date for each claim listed on Schedule E/F.

Schedule G – Executory Contracts and Unexpired Leases. The business of the Debtor is complex. While reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, inadvertent errors, omissions or overinclusion may have occurred. The Debtor hereby reserves all of its rights to dispute the validity, status or enforceability of any contract, agreement or lease set forth on Schedule G that may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements which may not be listed on Schedule G. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. Certain executory agreements may not have been memorialized in writing and could be subject to dispute. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of business, such as easements, right of way, subornation, non-disturbance, and attornment agreements, supplemental agreements, amendment/letter agreements, title agreements and confidentially agreements. Such documents may not be set forth on Schedule G. The Debtor reserves all of its rights to dispute or challenge the characterization of the structure or substances of any transaction, or any document or instrument. In the ordinary course of business, the Debtor may have entered into agreements, written or oral, for the provision of certain services on a month-to-

month or at-will basis. Such contracts may not be included on Schedule G. The Debtor, however, reserves the right to assert that such agreements constitute executory contracts. Listing a contract, agreement or lease on Schedule G does not constitute an admission that such contract, agreement or lease is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtor reserves all rights to challenge whether any of the listed contracts, agreements, leases or other documents constitute an executory contract or unexpired lease, including if any are unexpired real property leases. The Debtor reserves all rights to contend that any of the listed leases are capital leases rather than operating leases. Any and all of the Debtor's rights, claims and causes of action with respect to the contracts and agreements listed on Schedule G are hereby reserved and preserved. Omission of a contract, agreement or lease from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts, agreements or leases are not impaired by the omission. Schedule G may be amended at any time to add any omitted contract, agreement or lease. For any executory contract or unexpired lease that purportedly may have been assigned to the Debtor, but for which there is not documentation to support the purported assignment, neither the executory contract nor unexpired lease (or related claim) has been included on the Schedules.

Totals. All totals that are included in the Schedules represent totals of all known amounts included in the Debtor's books and records at the time of the Petition Date. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total, at times materially.
